Jim Yuskavitch : Fishing Oregon, 2nd: An Angler's Guide to Top Fishing Spots (Fishing Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fishing Oregon, 2nd: An Angler's Guide to Top Fishing Spots (Fishing Series):

0 of 0 people found the following review helpful. Great infoBy MICHAEL (from Oregon)Book has good info for fishing Oregon. I would recommend the book if you are looking to learn more about fishing Oregon.1 of 1 people

found the following review helpful. Good book for beginnersBy martinstThis is a great book for beginning fisherman looking for good areas to go for fishing in Oregon. For more advanced fisherman, this book may lack the detail they are looking for when seeking very specific locations for fishing hot spots. In addition, this book is now slightly outdated giving some skewed data when it comes to peak fishing seasons and techniques. However, for more general info, this is still a good resource for fishing in Oregon.0 of 0 people found the following review helpful. Oregon Fishing HelpfulBy Constance K.Looking forward to fishing in Oregon. Wonderful book.

Describes the state's fishing from the tidewaters to the high desert in the east.

From the Back CoverFrom the tidewaters of the Columbia River to the high desert country of the Lower Deschutes River, Oregon waters offer something to every angler. More than twenty species of game fish can be found in the states big rivers, small streams, ocean bays, and reservoirs. But how do you know when and where to fish, how to get there, and what kind of gear to use? The answers are all here in Fishing Oregonthe most accurate and up-to-date anglers resource available on the state that offers some of the finest sport fishing in the Pacific Northwest.
