Suzi Forbes Chase : The Hamptons Book: Including the North Fork and Shelter Island, A Complete Guide, Fifth Edition (A Great Destinations Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Hamptons Book: Including the North Fork and Shelter Island, A Complete Guide, Fifth Edition (A Great Destinations Guide):

0 of 0 people found the following review helpful. Great guidebookBy GskFnI used this on my maiden excursion to the Hamptons in 2007, and I felt like I was getting a compact but knowing and appreciative introduction. It left me not wanting for anything more than the map I got to go with it, Long Island StreetSmart.

Opens the door to one of the most exclusive vacation spots on the East Coast. History, nature, art, fashion, gourmet cuisine and viticulture unite in the Hamptons and North Fork of Long Island, an area that has been home to sea captains, inspired artists, and New York City's well-to-do. With this newly revised and updated edition, The Hamptons Book offers all the latest information on places to eat, stay, see, and shop, with a wide enough variety of recommendations to suit any taste and budget. Also includes comprehensive chapters on the North Fork (including descriptions of the many fine wineries located there) and Shelter Island. Chase uncovers charming inns and BBs; renowned restaurants, cafs, and unique food purveyors; upscale boutiques and shops; secluded beaches; historic houses, sites, and museums; music venues; charter boats for whale watching or saltwater fishing, and much more. Also included are listings of pet-friendly establishments and expanded chapters on the area's increasingly admired wines and wineries. With this book as their guide, readers can experience for themselves the richness and culture of this enchanting travel destination. 60 black white photos, 11 maps, general, lodging, and restaurant indexes.

A goldmine of up-to-date information on this deservedly popular East Coast vacation destination. -- Martin Rapp, Travel LeisureThis is by far the best book extant on the Hamptons. -- Travelwriter Marketletter[T]he publication to read and carry along. -- Country LivingAbout the AuthorSuzi Forbes Chase is the author of numerous books and articles on cuisine and travel, including Recommended Bed Breakfasts: Mid-Atlantic States, Recommended Country Inns: Mid-Atlantic and Chesapeake Region, and The New Red Lion Inn Cookbook. She lives in Locust Valley, New York.
