Richard Paul : The Hawaiian Chronicles - Our Hawaiian Cruise Adventures: A Travel Guide About a Hawaiian Journey before purchasing it in order to gage whether or not it would be worth my time, and all praised The Hawaiian Chronicles - Our Hawaiian Cruise Adventures: A Travel Guide About a Hawaiian Journey:

The Hawaiian Chronicles Our Hawaiian Adventures recounts the authors experiences on an Hawaiian cruise. The cruise included five stops on the four major Hawaiian Islands. This little travel guide include information about the cruise lines that offer cruises to Hawaii. The author hopes you enjoy this tale of his Hawaiian Journey. I would like to make a note about the photos. I am not a professional photographer. I took these photos in 2002 on a 35mm camera. The photos, stored in an album, did not fare well over the years. I have cleaned them up and the dont look bad. I guess we need to go back so I can take some new ones.
