Mike Tougias : The Hidden Charles: An Explorer's Guide to the Charles River before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Hidden Charles: An Explorer's Guide to the Charles River:

0 of 0 people found the following review helpful. A easy straight forward narrative from someone who loves paddling on ...By Jeffrey L. Eustace Indispensable guide if you are keen to canoe or kayak any stretch of the Charles River. A easy straight forward narrative from someone who loves paddling on the Charles. 0 of 0 people found the following review helpful. Inspiration for Paddlers By Robert G. Leroe This is an ideal book to read in the winter months when one is longing to be on the water. Mike Tougias eloquently describes the charm of the Charles and tells of the best spots for paddlers, anglers, and hikers. He includes photos and maps and some historical data to help the reader appreciate the role the Charles has played. As one who has done some kayaking on the Charles I appreciated his very helpful advice.
