Susan Veness : **The Hidden Magic of Walt Disney World: Over 600 Secrets of the Magic Kingdom, Epcot, Disney's Hollywood Studios, and Animal Kingdom** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Hidden Magic of Walt Disney World: Over 600 Secrets of the Magic Kingdom,

Epcot, Disney's Hollywood Studios, and Animal Kingdom:

2 of 2 people found the following review helpful. Great book for the Disney fan
By Adam T
Great book for the Disney fan. A little on the dated end of things. Some attractions don't exist in the park anymore. Hoollywood town and things like that are a little off now. Noone of the newer stuff past the tower of Terror. Nothing about Everest, the Mine Car 7 Dwarfs and a few other things. Still a good read laid out well, with a lot of cool info. You can easily skip past the parts that have been removed from the park.
1 of 1 people found the following review helpful. It's a keeper!
By stephanie
I have a child with high functioning autism, and we are planning a Disney vacation next year. I purchased this for him due to the many unknown facts, behind the scenes, and history he will be able to see when he goes. He loves learning thing like this. To him this is like a treasure map.
2 of 2 people found the following review helpful. Liked but....eh.
By Caroline M. Wood
I love Disney World. Completely LOVE it. My family and I even just got back from a trip there in November. Before the trip I wanted a new spin on Disney World and all its secrets so I bought this book thinking it would be wonderful to have. However, as I went through the book I knew most of what was in it already. Granted Ive been there multiple times and Ive seen multiple books about the Disney secrets. For those who are new to Disney World this book would be wonderful. To the experienced Disney goer, not so much.

Sure, it's the Happiest Place on Earth, but how much do the 45 million-plus people who visit the Disney World theme parks annually really know about it? From where to find all the hidden Mickeys to the truth behind Madame Leota's ring at the Haunted Mansion, learn all about the hidden magic that permeates these fabulous resorts in this tell-all handbook. Readers also get the insider's take on:
The smell of home-baked cookies on Main Street in the Magic Kingdom
The Fountain of World Friendship in Epcot that contains water from rivers and oceans around the globe
Walt Disney's opening day speech tapped out in Morse Code in Frontierland
The eco-friendly benches (recycled milk jugs) in the Animal Kingdom
Two versions of The Great Movie Ride at Disney's Hollywood Studios
Complete with secret tips from Disney's Imagineers, this book is the perfect in-park companion for Disney World fans.

About the Author
Susan Veness (Orlando, FL) is a travel writer, researcher and itinerary planner specializing in Florida, Disney, and the theme parks. A former online travel agent, she became principal research assistant for the UK's bestselling Brit's Guide travel series in 2002. She also writes for a wide variety of newspapers, magazines, and other media. She has been visiting Walt Disney World since it opened in 1971 and, with a home just minutes from The Mouse, she continues to tour the parks on a regular basis.
