**Russell Annabel : The High Road to Adventure** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The High Road to Adventure:

2 of 2 people found the following review helpful. Great Book, Read from Beginning to End By C. Miller This book is a must read for anyone interested in Alaska, hunting, or the great outdoors in general. The way in which Annabel writes his stories is spellbinding, you can almost see yourself there and can smell the woodsmoke and pines. His descriptions of life in Alaska bring you into the story. It does not matter if you like or dislike hunting, these stories transcend

reading; they create a picture in your mind of what Annabel is describing to you through his mastery of storytelling. If you would like to rediscover the childlike wonder your imagination allowed you in youth, these stories give you that opportunity. This book is one out of a series of great books, I've read them all, and each one is great reading, especially by a crackling fire on a cold day. 1 of 1 people found the following review helpful. All of Russell Annabel are great and I will be ordering them all soon. Roberts 1 of 1 people found the following review helpful. Great Book! By Tammy Hoewing I hunt in Alaska and the book could not have been more realistic. One of the best books I've read in a while.

This work is comprised of 35 stories ranging from Mexican dove hunting to Alaskan moose and bear tales.

From the Publisher The fourth volume in the Annabel series. More Alaskan adventures as well as hunting in Mexico.
