**Julia Reed : The House on First Street: My New Orleans Story** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The House on First Street: My New Orleans Story:

After fifteen years of living like a vagabond on her reporter's schedule, Julia Reed got married and bought a house in the historic Garden District. Four weeks after she moved in, Hurricane Katrina struck. The House on First Street is the chronicle of Reed's remarkable and often hilarious homecoming, as well as a thoroughly original tribute to our

country's most original city.
