**Wyman Richardson, Robert Finch : The House on Nauset Marsh: A Cape Cod Memoir, Fiftieth Anniversary Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised The House on Nauset Marsh: A Cape Cod Memoir, Fiftieth Anniversary Edition:

0 of 0 people found the following review helpful. Four Stars By I. McClain Little dry but enjoyable nevertheless. 1 of 1

people found the following review helpful. Satisfying read to the very end  
By Elizabeth R. Snead  
What a lovely story, sure to bring the reader peace as she reads. It is a picture of Cape Cod familiar to the many people who have lived there, or whom have lived in any seashore town. The book has a satisfying end, too. So many of us need that satisfaction of tying together loose ends at the conclusion of a good family story.

By Jean A. Lamberty  
Wonderful!

A classic of Cape Cod literature and a great piece of nature writing, *The House on Nauset Marsh* is a lyrical, poignant and often humorous work of a much-loved land and the people who called it home in a simpler time. Dr. Wyman Richardson lived the life of a busy, and distinguished, physician, practicing in Boston and teaching at the Harvard Medical School, but here is recorded his other life—the one closest to his heart. Cape Cod, and, more specifically, his humble farmhouse on Nauset Marsh, was his refuge. First published in 1947, *The House on Nauset Marsh* presaged later authors who discussed such subjects as the intelligence, language, and emotions of animals. His observations of fog, time, bird language, the wind and weather touch upon the philosophical. Little could escape Wyman Richardson's gaze in his activities and at reflecting on the shifting moods of land and sea, the denizens of salt marshes and woods, and the personalities and stories of the Cape Codders of a gentler time. 43 black-and-white illustrations

"A consistently interesting, informative, lively and thoughtful book."  
About the Author  
Wyman Richardson, physician and writer, was also an amateur naturalist and ornithologist. He spent many years of his life on Cape Cod, on and off from his boyhood until his death in 1953. Robert Finch has lived on Cape Cod for forty years, currently in Wellfleet, Massachusetts. He is the author of seven collections of essays, most recently of his radio scripts for his weekly commentary, *A Cape Cod Notebook*, on the Cape and Islands NPR Station, WCAI.
