Joshua Kinser : The Hull Truth: Chronicles of a Cruise Ship Crew Member (Book Two) (Volume 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Hull Truth: Chronicles of a Cruise Ship Crew Member (Book Two) (Volume 2):

1 of 1 people found the following review helpful. Can love last aboard a ship full of bumlbers and heroes?By Speaking CompassionI thought Book One was an eye opener. When Joshua's girlfriend comes aboard, there's a whole new dynamic to crew life. Especially when the management you're supposed to be able to count on fails you time and time again.Again, Mr. Kinser weaves his tales in a way that made it really difficult for me to stop reading. I always needed to know, what happens next?You won't regret reading the continuing saga.James Hofheins0 of 0 people found the following review helpful. A really long preview of book #3By Jennal really liked the first book so I thought I'd try the second. It was good enough but seemed like a really long preview for the third book. I didn't appreciate the "plugs" for the third book, it seemed very amateur for someone who has written many books. I hoped to read more about art auctions but I guess that is in the third book.2 of 2 people found the following review helpful. I really liked reading this bookBy Cynthia McLaughlinI really liked reading this book. Crew members really need our help in providing better living conditions. They work very long hours. Joshua tells how hard it is to live below the water line of a cruise ship.I would read another one of his books!

Climb aboard this hilarious, full-speed-ahead true story about what it's really like to live and work on a cruise ship. From the author of *Chronicles of a Cruise Ship Crew Member: Answers to All the Questions Every Passenger Wants to Ask*, a #1 bestseller in Amazon's "Cruise" and "Caribbean" categories, comes this second book in the Crew Member series by Joshua Kinser, a well-published travel writer and author of twelve books. Book Two delves even deeper into the CREW ONLY area for a behind-the-scenes sea voyage that navigates through the laugh-out-loud ups and downs of a cruise ship crew member's ship life. The nautical adventure begins in the midst of a cold, snowy winter...but then the phone rings. It's the sea calling, and nothing sounds better than walking up that gangway one more time and climbing aboard a cruise ship that has its bow pointed toward warm breezes, cold pia coladas, and beach-lined tropical islands. This time Gertie, a beautiful brunette, is giving the captain's orders during this port-hopping escapade that explores the often seedy and always fast-paced world of cruise ship art auctions. Grab a slice of chocolate melting cake for a deck-swabbing excursion that sails around the Caribbean and across the Atlantic Ocean to ports of call in Germany, England, and beyond. And finally get answers to your cruise ship questions such as: Do you think anyone would rescue my cruise ship manager if I threw him overboard? And, why does the champagne served at cruise ship art auctions always taste about as good as the water that shoots out of a whale's blowhole?

From the Author
Other Books By Joshua Kinser:
Eat Bark Fetch- A comedy about dogs ([.com/Eat-Bark-Fetch-Joshua-Kinser-ebook/dp/B01J9SA7MY](https://www.amazon.com/Eat-Bark-Fetch-Joshua-Kinser-ebook/dp/B01J9SA7MY))
