**Aaron Silverman, Molly Maguire : The Ian Fleming Thriller Map** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ian Fleming Thriller Map:

Experience high-voltage thrills with Secret Agent James Bond as he struggles against maniacal villains and luscious, lethal women. Featuring bold, vibrant original illustrations of the hero with his authentic literary paraphernalia -- the Walther PPK, the Aston Martin, and more -- this Ian Fleming Thriller Map plots an exhilarating path of intrigue across the globe! \* This handy folded map unfolds to a boldly illustrated 24 x 30 inches.

About the Author Aaron Silverman and Molly Maguire, owners of SCB Distributors, began their publishing careers by founding Aaron Blake Publishers and its renowned Literary Maps, which have been featured in two national traveling shows mounted by The Library of Congress, as well in several books on unusual maps.
