The Imagineers, Alex Wright : The Imagineering Field Guide to Disney California Adventure at Disneyland Resort: An Imagineer's-Eye Tour: Facts, Figures, Photos, Stories, Concept ... New Cars Land! (An Imagineering Field Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Imagineering Field Guide to Disney California Adventure at Disneyland Resort: An Imagineer's-Eye Tour: Facts, Figures, Photos, Stories, Concept ... New Cars Land! (An Imagineering Field Guide):

1 of 1 people found the following review helpful. Pretty good, would have loved more details. By M. Weaver I am a Disney FANatic. This book was nice, but left me wanting more. The cover suggested that this book would be like having an Imagineer take you thru the park and give insights. It did not live up to expectations. No little details like look above the warf and see the design of the window....Much broader insights like. In cars land we developed the cars to have graphics that disappear from the front window after you get in the car, thus looking like the cars in the movie, but not distracting once in the car. 0 of 0 people found the following review helpful. Five Stars By Toots Really fun and informative book. 0 of 0 people found the following review helpful. DCA Fan's Insider Info. By Bruce B. Great book. Real insight into the making of Disney California Adventure. I can only hope there is a new version that will be updated with the changes to DCA. If you are a Disneyland resort fan this is the book for you. I highly recommend it.

The sixth in a series of pocket-size paperbacks answers the question "What would it be like to walk through Disney California Adventure with an Imagineer by your side?" The Imagineering Field Guide to Disney California Adventure provides that experience: pointing out details and telling stories, backstories, and Imagineering insights never before heard, condensed into a portable, easily referenced park guide. You'll never spend time at DCA the same way again. Each spread contains fascinating textual information and related images (drawings, photos, graphics) such as: Layouts, backgrounds, and origins of each park/land/miniland Concept art to compare to the finished show Timeline information (opening dates, previous shows in the same venue, alterations, and updates) Photography of the details and pictures being discussed Special props, design sources, artistic inspirations, nomenclature gags

About the Author Alex Wright is a Creative Director for Walt Disney Imagineering in Orlando, Florida. His credits include conceptual design, design development and art direction for numerous projects all over the Walt Disney World Resort. Alex received a B.A. in Design Theory from the University of Florida in Gainesville in 1992, and an M.F.A. in Scenic Design from the California Institute of the Arts near Los Angeles in 1994. He lives in Ocoee, FL with his wife Kim, son Finn, daughter Lincoln, and two dogs, Agent Q and Emelia.
