**John Coast : The Independent Guide to Universal Orlando 2015** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Independent Guide to Universal Orlando 2015:

I liked the fact that the day's timing was outlined. It would have been helpful if more information was given concerning the rides. Not recommended for "the weak of heart", motion sickness, etc.3 of 3 people found the following review helpful. Good informationBy DeborahHad some good tips but the many grammar errors drove me crazy! Otherwise would have given another star. I especially liked the comparison to Disney section

with the good and bad. 1 of 1 people found the following review helpful. Pretty Good Guide, with a Little Room for Improvement By W. Palmer This was a pretty good ride, though it could do a better job identifying "levels" of the rides, and providing perhaps a bit more description of them, so that those who may not be prepared to ride every ride, can better plan their days.
