However, a lot of effort is spent on what to know to book your vacation and we didn't need that as we were booked through groups we had access to rather than using a guide to book hotel, etc.0 of 0 people found the following review

helpful. Skip the linesBy MontyzeeThis book worked out really well for us. We went to universal on a Thursday in July 2016 and followed the recommended guide through the park and which rides to go on at which times. We were done with the entire park by noon and only waited in lines that were 5 minutes or less long. When we were done we just went through again on any rides that we wanted to, and looked at the interesting sites in the park. The book met our needs wonderfully. :)2 of 2 people found the following review helpful. Up to date for our 2016 visitBy Dr. MomHelped to plan a summer 2016 trip.
