HarperCollins : The Insider's Guide to Euro Disneyland 1993 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Insider's Guide to Euro Disneyland 1993:

This guide explains how to get to Euro Disneyland in Paris, where to stay, what it will cost to get there and how to see and do all of the events and activities in Disneyland. In addition the book describes the broad spectrum of accommodation and restaurants on offer not only in the immediate area but along all the major routes from each European country to Paris. Other features include when to go, what it will cost, sample itineraries, tips for traveling alone and traveling with children, advice for older and handicapped travelers, local travel options, car rental costs, campgrounds, and hotels in and outside the Euro Disney resort, as well as descriptions of every attraction, rides and amusements.
