**Peter Rose, John Gottberg Anderson : The Insiders' Guide to Boise and Sun Valley** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Insiders' Guide to Boise and Sun Valley:

Written by a local author, this guide includes details about hotels, restaurants, annual events, attractions, nightlife,

parks and recreation, real estate, and much more.

From the Back Cover Idaho's capital is a small city with big hometown feeling. Longtime Boise residents Anderson and Rose show you how to have the time of your life in The City of Trees with detailed descriptions and pricing guidelines on the quaint shops and galleries, gold-mining museums, ski resorts, train tours, micro-breweries, riverside dining and much more. And for those planning a move to Boise, chapters on real estate, worship, schools, retirement and others allow newcomers to feel at home with a flip of a page.
