**Kate Klise, Crystal Payton : The Insiders' Guide to Branson and the Ozark Mountains--2nd Edition** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Insiders' Guide to Branson and the Ozark Mountains--2nd Edition:

A comprehensive and colorful guidebook to a true slice of Americana. Local authors charm readers with more than 350 pages of prose detailing Branson's legend and lore, "stick to your ribs" restaurants, a myriad of music theaters, fabulous fishing, awesome attractions, antiques, arts and crafts and more.

No trip to the American country music capital of Branson or a tour of the beauty and history of the Ozark mountain country can be better planned for than through the pages of *The Insider's Guide To Branson And The Ozark Mountains*. This is a complete and indispensable guide to the Ozarks including up-to-date information on accommodations, music theaters and other attractions, restaurants, nightlife, festivals and events, recreation, mountain lore, local history, things of special interest for kids, and much more! Of special interest in the introduction to the history of the area from its original settlement through the American Civil War down to the innovations and re-emergence of the areas' recreational developments of the past few decades. -- Midwest Book
