I purchased this book just prior to moving to Cincinnati. I found it to be a great help. This book tells almost everything a newcomer needs to know from information about local communities to where to go bargain shopping. When I moved from Cincinnati, I gave this book to the people that bought my home.

This guide provides an ever-important locals' eye view to the surprisingly happening "Queen City." Discover Cincy and find everything you want in a city - arts, professional sports, museums, culture, great restaurants and shopping - without the high crime rates and overcrowded schools. It's an absolute must for locals, newcomers and visitors.
