Janet Blixt, Susan Stanich : The Insiders' Guide to Lake Superior Region before purchasing it in order to gage whether or not it would be worth my time, and all praised The Insiders' Guide to Lake Superior Region:

5 of 5 people found the following review helpful. The Lake Superior RegionBy Addie MasonThis book is pretty outdated, so I don't know how accurate the information is and if places are still open and the prices won't be correct. It would be useful if you found something you were interested in and then double checked on the internet or called to get the correct information.1 of 1 people found the following review helpful. lake superior in the 60sBy A. Whitethis is an

older book, and significantly out of date, but for someone from Michigan, it is a good read, and reminds the reader of beautiful places in the Upper Peninsula.

In more than 550 pages of detailed description and photographs, discover fantastic restaurants, great shopping spots, grand inns, quaint bed and breakfasts and everything you need to go camping, hiking, skiing, swimming, boating, fishing and touring. More than 30 chapters cover the history, attractions and accommodations along the shores of the largest expanse of fresh water in the world.
