Good visitors guide or great for someone moving to that area. Got it as a gift for someone new to the area. Saw things in there I never knew about and would have liked to visit while living

Whether born or raised in the city or a new move in this lets you know what is out there to see do -- be sure to follow the suggestion call ahead to confirm location, hours prices0 of 0 people found the following review helpful. outdatedBy David T. BrownI'm guessing that Louisville just isn't that big to have a guide updated frequently. This is still a good guide, but as it's so outdated (1997), the shopping and restaurant guides are not much use.

Written by a local author, this guide includes details about hotels, restaurants, annual events, attractions, nightlife, parks and recreation, real estate, and much more.

From the Back CoverRelax, break out your favorite jeans and get comfortable in charming Louisville! Local authors provide historical perspective and exclusive insider insight into the events, people, attractions, businesses and history that are yours to discover in Louisville.
