Stacie Krajchir, Carrie Rosten : **The Itty Bitty Guide to Business Travel** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Itty Bitty Guide to Business Travel:

3 of 3 people found the following review helpful. for the non-travelerBy EquipoiseAs a fairly frequent business

traveler (about 1 trip/month), I got this book hoping to pick up some helpful hints to make travel a little easier. I was disappointed in the book. It seems to be aimed at those at a very junior level who need every detail spelled out ("tell your colleagues you'll be out of the office"), or who have never made a business trip before (some tips seemed aimed at people who have never been on a plane before). For someone just starting in the business world or someone starting an entry level job that requires travel, it may be useful- experienced travelers can skip it.

The Itty Bitty Guide to Business Travel is a pocket-sized travel agent, personal organizer, and stress-reliever all in one. Perfect for the young professional, the advice in these pages covers everything a business traveler needs to know, from getting a handle on trip goals and preparing colleagues for an extended absence, to finding the best deals and making efficient use of travel time. Lists of helpful questions assist readers in determining their trip needs, and handy checklists make it easy to get out the door on time, with no last-minute panic. The perfect on-the-road companion, The Itty Bitty Guide to Business Travel gets travelers there and back again -- job well done.

About the Author Stacie Krajchir is a television producer who lives in Venice Beach, California. Carrie Rosten is a Los Angeles-based wardrobe stylist and costume designer.
