a student of the 19th century American West, any time I can read a first person account of the era, I'm pleased. This book can teach us a lot about how it was and what our environment was like in those time.0 of 0 people found the following review helpful. Read either Lewis or Clark, if not it is confusing.By Kindle CustomerIt was a book I have wanted to read and it had some real insights into the way things were. described a 28 foot fish skeleton and a 61/2 pound rabbit. Curiouser and curiouser.1 of 1 people found the following review helpful. Expedition DiscoveryBy j.s.I had never read the journals of the expedition. I gave only four stars for the lack of pictorials or drawings as that is left to the imagination of the reader. Anyone interested in early American History would likely find this interesting and informative enough to get through what I would call somewhat rough reading. Recommended.
