0 of 0 people found the following review helpful. InterestingBy J. GibsonA relatively detailed journey of three trips in 1822, 23, 24 to the American South. The author's account gives an interesting view of the period and locales, and includes his thoughts and ruminations on the trip.

First edition bound in aqua colored cloth. Photo illustrations and map endpapers. Very good condition. The cloth covers have a little shelf wear at their edges. Rubs to the spine tips and corners. There is a store stamp on the upper edge of the half-title page. No dust jacket.
