Paul Rezendes : The Lighthouse Companion for Connecticut and Rhode Island (The Lighthouse Companion, 1)
before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Lighthouse Companion for Connecticut and Rhode Island (The Lighthouse Companion, 1):

This book is a comprehensive guide in the 'Lighthouse Companion' series. In it you will find full colour photographs of each of the 42 lighthouses on the coast of both states, along with a brief history of each, directions to reach it by car, or its latitude and longitude to find it by sea. Contact information is also given for those looking to arrange tours. It includes appendices that cover lodging, local events and sites of interest in each area and is designed to fit comfortably into a bag or glove compartment -- the perfect companion for lighthouse lovers everywhere!
