Ed Koch : The Little Red Book of New York Wisdom (Little Red Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Little Red Book of New York Wisdom (Little Red Books):

0 of 0 people found the following review helpful. Wonderfully Honest Statements By KEN..... Words of praise and words of condemnation take their place between the covers of this book. It's all about New York City, the city that has very little gray area(s). Some love it (myself, included), while others feel quite the opposite. One thing for sure, no matter what they are feeling, the words are mostly eloquent, with some gutter language thrown in for a reality check, and basically honest! It's an honest book that I found very entertaining. 0 of 0 people found the following review helpful. a great read. 5 BIG apples! By Larry Brilla great read. 5 great BIG red apples! great fun. great info about this

GREAT city!so keep the doctor away grab this tiny red book0 of 0 people found the following review helpful.
Great book for New Yorkers and those who think like New YorkersBy Mike G.All New Yorkers will love this book of humor from everyone we know -- Mayors, actors, writers. All good stuff, and funny. Not just jokes but humor with wisdom. I've given two of these books as gifts and everyone really likes this book.

Whether you love its pace or are mystified by its immensity, New York City has a seemingly limitless capacity to spark both refreshingly blunt observations and eloquent descriptions of its daily life and motion. It has inspired countless artists, musicians, and even politicians, all of whom embody the essence of the city: profound, prophetic, quirky, amusing, tough, and amazingly varied. Inside you'll find words of wisdom from a plethora of noteworthy New Yorkers, including: Joe Namath, Donald Trump, Edie Falco, Woody Allen, Marilyn Monroe, Joan Rivers, Rudolph Giuliani, Bette Midler, Spike Lee. And many, many more! New York boasts a cast of colorful characters like nowhere else, and in *The Little Red Book of New York Wisdom* they'll tell you all about their beloved home, as only a real New Yorker could. A thought-provoking collection inspired by life in the world's greatest city.

I'm not the type to get ulcers. I give them. (Ed Koch) About the Author Ed Koch was Mayor of New York City for three terms from 1978-1989. During that time, he restored fiscal stability to the City of New York. Prior to being Mayor, Mr. Koch served for nine years as a Congressman and two years as a member of the New York City Council. He is currently a partner in the law firm of Bryan Cave LLP. He hosts a Friday evening call-in radio program on Bloomberg AM 1130 (WBBR) and is also a commentator on that same station. Koch is the author of numerous books, including *Mayor, Politics, His Eminence and Hizzoner*, *All The Best*, *Citizen Koch*, and two children's books which he co-authored with his sister. He was born, raised, and currently lives in New York City. Gregg Stebben is the author of eleven books, including *The Man's Manual* and *White House Confidential*. A writer for *Men's Health*, *Esquire*, *Bon Appetit*, *SPY*, and other magazines, he has interviewed everyone from Bill Clinton to Mikhail Gorbachev to Katie Couric. Stebben is the radio spokesman for *Men's Health* magazine and has appeared on CNN and *Entertainment Tonight*. Jason Katzman is an editor and writer. He lives in New York City.
