Each contains an epiphany moment or three that I guarantee will leave you astonished by how often this happens. Eat love,prayEatlove pray,repeat AdNauseum.It really deserves one star I believe.0 of 0 people found the following review helpful. Great stories but missing page(s)By CustomerThe stories are all fabulous, but I had a copy with the same error described by another reader. The last page(s) of one story (ending page 151) are missing! I've never before seen a book with this problem.0 of 0 people found the following review helpful. Great read, but missing ending of a storyBy IcaiThis is a great read, but on The tracks in the Sand story, it was cut short. Must be a publication error as the story ended on "it was...". Very infuriating for the last couple of lines to be missing from a story.

Lonely Planet: The world's leading travel guide publisher A collection of great travel writing by authors from around the globe, including original stories set in Scotland, Thailand, Malaysia, Moldova, Tanzania, Austria and beyond, edited by long-term Lonely Planet collaborator Don George. The 35 impassioned stories included in this collection - of fortune tellers, tribal baboon hunters, a friendly Japanese family, and other notable characters - span a worldwide spectrum of themes, styles and settings, but all show how travel in its unexpected turns tests and teaches us, making us aware that we are resilient, that we are not alone, and that there is so much love and connection to be had if we open ourselves up. This collection affirms that if we follow the compass of the heart, we will always find our way. Whether you read the book on the road or in an armchair at home, these tales are sure to entertain, amuse and inform you, and resonate long after the book is finished. 'As you travel through these pages, may your mind be widened, your spirit enlivened, and your own path illuminated by these worldly word-journeys.' ---Don George With sparkling contributions from some of the most acclaimed names in contemporary fiction and travel writing plus some new voices from around the world, including: Ann Patchett, Francine Prose, TC Boyle, Karen Joy Fowler, Pico Iyer, Torre DeRoche, Blane Bachelor, Rebecca Dinerstein, Jan Morris, Elizabeth George, Jane Hamilton, Alexander McCall Smith, Keija Parssinen, Mridu Khullar Relph, Yulia Denisyuk, Emily Koch, Carissa Kasper, Jessica Silber, Candace Rose Rardon, Marilyn Abildskov, Shannon Leone Fowler, Robin Cherry, Robert Twigger, Porochista Khakpour, Natalie Baszile, Suzy Joinson, Anthony Sattin, LH McMillin, Bridget Crocker, Maggie Downs, Bishwanath Ghosh, Jeff Greenwald, James Dorsey and Tahir Shah. "A collection of 35 short stories to inspire your wanderlust. Buy a ticket to Vienna with Ann Patchett, wander Kathmandu with Pico Iyer, and discover magic in Morocco with Tahir Shah." (National Geographic)"The writing is sometimes sumptuous, sometimes sparse, exploring internal growth in striking exteriors...Stories have both moving and seemingly mundane subjects, from the cremation of loved ones to the simple act of sharing a home-cooked meal. These essays span lessons learned, challenges overcome and horizons broadened; ultimately, this anthology beautifully reflects the illuminating power of travel." (Shelf Awareness)
