**Jean Mitchell-Lanham : The Lore of the Camino de Santiago: A Literary Pilgrimage** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lore of the Camino de Santiago: A Literary Pilgrimage:

0 of 0 people found the following review helpful. A delightful book with good footnotes and referencesBy Jeanette

Juarez A delightful book with good footnotes and references. When I finished reading it I was left hungering for more which hopefully is to come from this author.

People go on the Camino de Santiago pilgrimage for a variety of reasons: religious, midlife crisis, a need for adventure or miracle, to visit Hemingway's 1920s hangouts, to pay homage to Saint James . . . Author Jean Mitchell-Lanham went for all the same reasons, and then her academic and literary interests set her off on a secondary journey to dig deeper into the mysteries and timeless draw of the pilgrimage. The result is this book: a comprehensive review--complete with academic, regional, cultural, historical, and religious facts--enhanced by one woman's real-life journey along the popular 500-mile spiritual trek. As a detailed study of a world-renowned pilgrimage site, *The Lore of the Camino de Santiago: A Literary Pilgrimage* is now an indispensable read before making the journey.

About the Author Jean Mitchell-Lanham is a pilgrim currently living near San Francisco. She received her PhD from The Ohio State University in Romance languages and literatures with a concentration in Spanish medieval literature. She has traveled extensively worldwide and lived for extended periods of time in Spain, Mexico and the Republic of Panama. In addition to her love for foreign languages and literature, she holds a Black Belt in martial arts and is a certified assistant scuba instructor. She has dived world-wide including the South Sea Islands and Alaska photographing sea life and assisting marine biologists as a safety diver. She received her PhD from The Ohio State University in Romance languages and literatures with a concentration in Spanish medieval literature. Her other interests include adopting unwanted Dalmatians which she has done for more than 40 years. She is currently raising numbers 16 and 17.
