Disney did not offer a Walt Disney's Pictorial Souvenir book for 1982. That is the year I was born, so I did a google search and found this book. Good 'ol trusty .com had several people that were selling their copies. The book is simply amazing! There are so many pictures to look at. Not only of Disneyland but also of Walt Disney World. Almost each picture includes a brief description. A simply MUST HAVE for any Disneyland Collector.
