**Wayne Hozek : The Man-eater of Mfuwe** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Man-eater of Mfuwe:

The Man-eater of Mfuwe is a story of circumstances, timing and conscience that led Wayne Hozek on a journey, at times humorous, from Los Angeles to the wilds of Africa for an unplanned, unique, life changing quest. His Christian

values drove him to five terrifying days and nights of battling a supposed supernatural lion, ending with a story-book celebration.
