Michael S. Durham : The Mid-Atlantic States: The Smithsonian Guide to Historic America (SMITHSONIAN GUIDES TO HISTORIC AMERICA) (Vol 3) before purchasing it in order to gage whether or not it would be

worth my time, and all praised The Mid-Atlantic States: The Smithsonian Guide to Historic America (SMITHSONIAN GUIDES TO HISTORIC AMERICA) (Vol 3):

0 of 0 people found the following review helpful. If you really want to know.By E. RussoI love these guides. They are for those who want to know about the areas they are visiting in some depth. Readable and worth the time for the traveller rather than the tourist.5 of 5 people found the following review helpful. Essential for informed travelBy Eileen G.This beautiful and informative book (one of a series) is valuable for the armchair traveler as well as the actual tourist. History, photographs, simple and elegant maps, as well as interesting tidbits about people and places. For traveling with kids, it's invaluable. No threat of museumitis, here; lots of outdoors destinations to explore. The authors never preach, yet show convincingly that much is available - for family travel as well as adults - beyond multiplexes and outlet malls. They offer interesting and often "hidden" diversions and historically important places to visit: monuments, parks, houses, and more. It's produced lushly, to be enjoyed and admired - and it succeeds.

In the SMITHSONIAN GUIDES TO HISTORIC AMERICA series. Includes up-to-date site information, maps and colour illustrations of the region. The revised edition includes new sites and museums as well as being expanded to include other historic and cultural attractions.
