Vernon Publications, Milepost : The Milepost Souvenir Logbook before purchasing it in order to gage whether or not it would be worth my time, and all praised The Milepost Souvenir Logbook:

11 of 11 people found the following review helpful. A great way to build a memory.By Kathy ClarkTo journal is a great way to build a vacation memory. There is so much to see and do on an Alaska Trip be sure to take lots of

pictures and take notes. What better way to record your trip than with the Milepost Log Book. We lived in Alaska for 30 years and made several trips over the Alcan Hwy. Lots of great experiences, just wish we had taken better notes.
