He saw that a friend had this book, so we bought it for him for Christmas. He read it and loves it.0 of 0 people found the following review helpful. A nice look at Route 66 in Missouri seen through vintage ...By MichaelA nice look at Route 66 in Missouri seen through vintage postcards and historic photographs with informative text for "touring" the road. Great reference piece for both minor fans and "roadies" alike.0 of 0 people found the following review helpful. Just what I was looking for.By carol austinThe book looked like new, had great old photos of by-gone roadside attractions and gave city by city directions. I couldn't have asked for more and it will be a great asset for planning my 66th birthday traveling Rt.66.
