0 of 0 people found the following review helpful. Five StarsBy Josie DPart of the classic set by Neil Pearce. Must have for the poli-sci types

Provides a concise examination of the social, political, and economic environment of the Rocky Mountain states. Part of Peirce's series of books illustrating the histories and characteristics of the United States, The Mountain States of America is an invaluable record of life in the arid regions of Western America. States surveyed in this volume include

Colorado, Wyoming, Nevada, New Mexico, Arizona, Montana, Idaho, and Utah.
