Roulhac Toledano : The National Trust Guide to New Orleans before purchasing it in order to gage whether or not it would be worth my time, and all praised The National Trust Guide to New Orleans:

0 of 0 people found the following review helpful. Five StarsBy Erin DaileyDeeply researched and well-written book on some of the most historic and beloved properties in Nola.0 of 0 people found the following review helpful. Five

StarsBy J. Bakerextremely helpful!11 of 13 people found the following review helpful. another New Orleans bookBy A CustomerI have probably twenty New Orleans books in my library. This one is essential--one of the 5 best. I am ordering extra copies for European business associates I met with in New Orleans.

Toledano-New Orleans-144045 The Definitive Guide to the Architectural and Cultural Treasures of One of North America's Most Beloved Cities The National Trust Guide to New Orleans is an indispensable resource for tourists, armchair travelers, architects, and anyone concerned with the preservation of one of the world's most fascinating cities. From the cast iron ornamentation in the French Quarter to the stately Greek Revival residences of the Garden District, this lavishly illustrated guide takes you on a neighborhood-by-neighborhood journey through the architectural and cultural treasures of the "Big Easy." Providing a cross section of types and styles of architecture for each neighborhood covered, the guide pays special attention to architecturally important buildings once inhabited by notable persons. Photographs, drawings, engravings, etchings, maps, and other images created by earlier building watchers, show you the sites through the eyes of other generations. You'll find fascinating historical details about the buildings' architects, builders, and residents; up-to-date information on food, lodgings, and entertainment; and discussions of preservation issues that pertain to many of the sites.
