I have given a half-dozen copies away as retirement gifts over the years. My husband recently retired, so now it is our turn to discover day-trip treasures in our home state. I wish that it were available in an updated edition, because we have a bunch of friends retiring in the next year or so, and I'll have to go on a hunt for copies to give to them!

This second edition of Ockershausen's popular guide to the Old Dominion arms the day-tripper with essential details and useful suggestions. Visit a bustling waterside in Norfolk, walk on revered Civil War battlegrounds, see geologic wonders like Luray Caverns, or appreciate fine art in Richmond and folk art in Williamsburg.
