Lots of things that are new, and great background on stories you may think you know By Meatyard I bought this book to give me some ideas on activities to help give my kid some greater knowledge of the Yankees rich history. I already take her to a few games a year, but I was looking for ideas on

activities outside the stadium, and boy does this book deliver. There was some great info on Spring Training, and even some info on the Yogi Berra Museum, which is minutes from my house. There was also lots of background on historic moments in Yankees history, which we were easily able to find on YouTube. You will read a lot on stories you may have already heard, but the author talked to the athletes involved and gets their reflections on the events, offering new perspectives. Its a great book that you can read cover to cover, or grab and read individual chapters as you like.1 of 1 people found the following review helpful. Yup, I'm adding a few things to my list!!!By CustomerAs a native New Yorker, it is always great to uncover fun things to do surrounding one of the local teams. I've been to Yankee Stadium dozens of times, but now have a few things to add to the experience. Mark does a wonderful job pointing fans not just in those directions, but in some other directions away from the Bronx that fans might not have thought of before.You don't need to be a Yankee fan, but simply a baseball fan, to undertand how much fun this book is, and the ideas Mark shares are ones that everyone needs to do.2 of 2 people found the following review helpful. Every New York Yankees fan has a bucket list of activities to take part in at some point in their lives. But even the most die-hard fans haven't done everything there is to experience in and around the Bronx. From visiting Stan's Sports Bar to sitting in the bleachers for the roll call, author Mark Feinsand provides ideas, recommendations, and insider tips for must-see places and can't-miss activities near Yankee Stadium. But not every experience requires a trip to New York; long-distance Yankees fans can cross some items off their list from the comfort of their own homes. Whether you're attending every home game or supporting the Yanks from afar, there's something for every fan to do in The New York Yankees Fans' Bucket List.
