From Brand: National Geographic : The North Pole: A Narrative History (National Geographic Adventure Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised The North Pole: A Narrative History (National Geographic Adventure Classics):

The story of the race to the North Pole is told through memoirs, letters, ships' logs, and diaries of Arctic explorers, documenting the motives, modes of travel, and remarkable men who endured the extremes of physical hardship and grim competition, including Robert Peary, Richard Byrd, Fridtjof Nansen, and others. Original.

About the Author Anthony Brandt attended Princeton and Columbia before becoming a freelance writer for Esquire, American Heritage, The Atlantic, Psychology Today, GQ, Men's Journal, National Geographic Adventure, and many other magazines. He was the essays editor of the Pushcart Prize for 18 years and has served as a nonfiction judge for the National Book Awards. Brandt is the editor of the Adventure Classics series for National Geographic Books, including the first edition of The Journals of Lewis and Clark.
