Detailed driving directions to each location are included as well as helpful maps showing onshore facilities and many offshore features you'll want to explore. You'll learn where it's safest to enter and exit the water, what to look for (coral, shells, fishes, underwater caverns), and what hazards to avoid. The author provides essential information on safety and seasonal wind and surf conditions and useful tips on diving and snorkeling equipment, night diving, and spear fishing. Each site, chosen for its ease of access and the interest of its underwater topography, is rated according to degree of difficulty. The Oahu Snorkelers and Shore Divers Guide will introduce you to some of the best diving and snorkeling on the island.

Frank de Carvalho does an excellent job describing Oahu's diving sites and how to access them. His guide is a valuable addition to the collective body of work on Hawaii's shores and beaches. (John R. K. Clark, author of Hawaii Place Names: Shores, Beaches, and Surf Sites and Hawaii's Best Beaches) About the Author Francisco B. de Carvalho is an avid snorkeler, free diver, and scuba diver. Stationed in Hawaii for many years with the U.S. Army, he logged hundreds of hours diving along the coastlines of many of the Hawaiian Islands.
