Dean Davis : The Ocean City Boardwalk: Two-And-A-Half Miles of Summer before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Ocean City Boardwalk: Two-And-A-Half Miles of Summer:

2 of 2 people found the following review helpful. The Ocean City Boardwalk By John C. Price I enjoyed looking at the book. As a frequent visitor, for many years, to Ocean City I was interested in seeing, and having, this book. I was a little disappointed that it was principally a pictorial. I would have liked to see more historic pictures, and a little written to go along with the pictures.

Relive the experience of a meander down the Ocean City, New Jersey, boardwalk. Beautiful imagery from the past and present will take you past the arcades, thrill rides, souvenir shops, and the candy and popcorn stops that have become hallmarks of this summer resort. A smattering of history and lore are reminders of the great storms and fires that swept through the city in the past, as well as the personalities that make it what it is. Vivid photography conjures forth the sound of gulls, the crash of surf, and the taste of a fresh-tossed tomato pie. This is a must-have souvenir for all who are enamored of Ocean City and its many charms.
