Francis Parkman : The Oregon Trail (Airmont Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Oregon Trail (Airmont Classics):

[This is the Audiobook CD Library Edition in vinyl case.] [Read by Robert Morris] This is the classic account of Francis Parkman's rugged trip over the eastern part of the Oregon Trail with his cousin, Quincy Adams Shaw, in the spring and summer of 1846. They left St. Louis by steamboat and arrived in Oregon on horseback, in company with guides and occasional other travelers. They encountered storms, buffalo hunts, and meetings with Indians, soldiers, sportsmen, and emigrants. The Oregon Trail is an eyewitness account of the Mormons and outlaws, trappers and Indians, pioneers and adventurers who struggled to conquer the frontier.
