Ron W. Marr : The Ozarks: An Explorer's Guide, First Edition: Includes Branson, Springfield, and Northwest Arkansas before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ozarks: An Explorer's Guide, First Edition: Includes Branson, Springfield, and Northwest Arkansas:

4 of 4 people found the following review helpful. So glad we had itBy RebabooWe just returned from a trip to the

Ozarks today. We took the book everytime we got in the truck to go and do or see something. It was so helpful since all we had is what other people had said and those annoying billboards you see on the highway. I like the fact that the book talks about places and sometimes quirky attractions that are not the advertised attractions. The author also writes with a humorous flair and it is entertaining to read. I would recommend this book to anyone who is planning a trip to the Ozarks! A+6 of 6 people found the following review helpful. ExcellentBy D. ZingerWell-written and intelligent, with a good sense of humor to boot. Marr throws scores of ideas at the reader, and shows that, as a travel destination, The Ozarks can hold their own against some of the USA's best.I've also purchased Missouri and Arkansas Off the Beaten Path guides, but they simply aren't quite as complete and don't convey the same sense of fun or authority as Marr's guide.0 of 0 people found the following review helpful. Five StarsBy Linda A LachewitzGreat!

The definitive comprehensive guide to the Ozarks, including Branson. The Ozarks is fast becoming the destination of choice for music lovers looking for old-time bluegrass jams or the bright lights of Branson; culture mavens who hew towards hog-calling contests or classical-piano concerts; foodies seeking tin-roofed rib shacks or 5-star cuisine; and outdoors enthusiasts seeking lazy rivers, rolling hills, sparkling lakes, and wildlife galore. This is the in-depth, native's-eye-guide to a region that sprawls across Missouri and Arkansas, and will lead readers to the best and strangest of the Ozarks, with anecdotes, lore, and historical trivia to flavor the trip. This guide includes hundreds of opinionated listings of inns, BBs, resorts, motels, cabins, and campgrounds. A multitude of dining recommendations span the spectrum of taste and budget. 12 maps, 100 black-and-white photographs

People associate [the Ozarks] with Branson, Missouri. This guidebook makes clear there is much more to this area. -- Chicago TribuneAbout the AuthorRon W. Marr grew up in the Ozarks and spent his youth exploring its rolling hills and lazy rivers. He is a columnist, editor, and founder of Trout Wrapper magazine and has written for such publications as American Cowboy, Playboy, Missouri Life and First Freedom magazines. Marr resides with a blind malamute in a cabin overlooking the Ozarks' Gasconade River.
