**Betty M. Dunkins : The Perfect Choice: The Ultimate Party and Wedding Location Guide** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Perfect Choice: The Ultimate Party and Wedding Location Guide:

all right if you're planning a state dinner, but don't spend your money on this guide if you're planning anything cheaper than black-tie. 7 of 7 people found the following review helpful. OKBy A CustomerThis book certainly has a lot of different reception locations, but it could be one-quarter of the size if it didn't keep repeating the same locations 2,3,4,5,6 times in the same book (just in different section)! The reviews were also very blunt with no real description of the location. The author also gives only flattering comments to every location, some of which turn out to be no so nice at all! 6 of 6 people found the following review helpful. Intenet Wins and Free!By reisdsI was disappointed in the book because of the duplications throughout. Most entries I had already come across on the web. It's also missing a big chunk of the wedding market that resides in the Frederick, Maryland area. It makes me wonder if this isn't just advertisements for those who were willing to pay to have their businesses listed.

Location, they say, is everything. And when it comes to the location of your wedding, corporate celebration, reception, fund raiser, or other special event, you want to make the perfect choice. What is the perfect choice? The place that's right for you the one that fits your guest list, your budget, and most of all your dreams! Is your dream to be married on a fantasy island? Have you ever thought of celebrating your next social event by candlelight in an enchanted castle, sailing off into the sunset aboard a luxurious charter yacht for your next corporate event, or renewing your vows under an azure sky beneath a bower of flowers on the grassy banks of the Chesapeake Bay? All of these and hundreds more "dream locations" are possible in many of the unusual places around the Washington metropolitan area. Finding your ideal location has just become less stressful with the publication of a directory of locations for social and corporate events. *The Perfect Choice: The Ultimate Party and Wedding Location Guide* is the premier source for finding contemporary, traditional and unusual locations in Washington, DC, Maryland, Virginia and surrounding states. This book is arranged in an easy-to-use, easy-to-read format. The main body of this guide is divided into regional sections; each regional section is divided categorically (e.g., atriums, ballrooms, boats and yachts, inns, mansions, museums, resorts, etc.) and each site is listed alphabetically under each category. If you are looking for the perfect location for your next party or special event, this book is a must!
