Paulo Coelho : The Pilgrimage (Plus) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Pilgrimage (Plus):

2 of 2 people found the following review helpful. This is a great book however it is missing the last chapter!By K. ShanghaiBelow is what I had written in March 2017 but I found out in July 2017 that this book is not ended properly. It is missing the last chapter Santiago de Compostela. The previous chapter is not properly ended either. "...caused the blade of my sword to glisten" was not how Paulo Coelho finished the book. I think all purchaser of the book deserve

an explanation from and HarperOne. I found this very bizarre. So I changed from an original 5-star rating to a 2-star. I read *The Pilgrimage* more than once. The first time I read it was when I was traveling in Spain and Morocco. This is the type of books that feeds our souls. Though Paulo has other books perhaps more popular *The Pilgrimage* remains my favorite. It is more for mature readers. I recommend it to everyone who wants to add a bit food to our spiritual journey and pursue life with enthusiasm, wisdom and courage. 0 of 0 people found the following review helpful. Typical of the author. By Mary Beth I read this because I am very interested in *The Camino de Santiago*. I hesitated because I've read this author in the past, and I never intended to read him again. You won't learn much about *The Camino*. I have bookmarked some of the exercises which I plan to do. A lot of the book is just typical of the author whose writings I usually find not worth my time. If you like his books though you will probably enjoy this one. 0 of 0 people found the following review helpful. a bit disappointed By liesa I knew this was an allegorical read from the start. I just finished the *Camino* and had hoped to find more of a connection with the physical aspects of the journey. But alas not. AND after finishing I wished i could say I get the message he was trying to convey. Thought the plus edition might have some questions for readers to help one decipher the true meaning of this book. perhaps somethings were lost in the transaltion of this book from his native language to english.

The Pilgrimage paved the way to Paulo Coelho's international bestselling novel *The Alchemist*. In many ways, these two volumes are companionsto truly comprehend one, you must read the other. Step inside this captivating account of Paulo Coelho's pilgrimage along the road to Santiago. This fascinating parable explores the need to find one's own path. In the end, we discover that the extraordinary is always found in the ordinary and simple ways of everyday people. Part adventure story, part guide to self-discovery, this compelling tale delivers the perfect combination of enchantment and insight.

An exciting tale. (Library Journal) A universal quest toward an expanded view of life. (Dan Millman, author of *THE WAY OF THE PEACEFUL WARRIOR*) The keys to self-mastery...wrapped in suspense and adventure. (Body Mind Spirit) Among Latin American writers only Columbias Gabriel Garcia Marquez is more widely read than Brazils Paulo Coelho. (The Economist) Language Notes Text: English (translation) Original Language: Portugese About the Author Paulo Coelho, born in Rio de Janeiro in 1947, is one of the bestselling and most influential authors in the world. *The Alchemist*, *The Pilgrimage*, *The Valkyries*, *Brida*, *Veronika Decides to Die*, *Eleven Minutes*, *The Zahir*, *The Witch of Portobello*, *The Winner Stands Alone*, *Aleph*, *Manuscript Found in Accra*, and *Adultery*, among others, have sold over 175 million copies worldwide, and *The Alchemist* has been on the New York Times bestseller list for over 360 weeks. Paulo Coelho has been a member of the Brazilian Academy of Letters since 2002, and in 2007, he was appointed United Nations Messenger of Peace. He is also the most followed author on social media.
