**From Belt Publishing : The Pittsburgh Anthology** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Pittsburgh Anthology:

0 of 0 people found the following review helpful. Five Stars By Placentia Girl Great Christmas present for everyone in my W. PA family.

Pittsburgh is ever-changing once dusted with soot from the mills, parts of the city now gleam with the polish of new technologies and little remains of what had been there before. The essays and artwork in this anthology aim for the

surprising, elusive stories that capture a Pittsburgh that is in transition. Contributors run the gamut from MacArthur-award winning photographer, LaToya Ruby Frazier to 15-year-old Nico Chiodi, the book's youngest contributor who chronicles the doings of the North Side Banjo Club. Everyone in this book, writes editor, Eric Boyd, is talking about the city, the things surrounding it; all of the pieces have been created with experience, intimacy, and personality. This book, I hope, will speak to you, not at you. Because we all know this city is changing. We're just not exactly sure what that means. Included are contributions by Amy Jo Burns, LaToya Ruby Frazier, Ben Gwin, Cody McDevitt, David Newman, and many more.

"This collection is stimulating for insiders and outsiders alike, a portrait Boyd has designed to be from-the-streets, warts-and-all."-Bill O'driscoll (of the PGH City Paper)
