**Susan Frank, Phil Frank : The Ranger's Guide to Yosemite: Insider Advice from Ranger Dick** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ranger's Guide to Yosemite: Insider Advice from Ranger Dick:

0 of 0 people found the following review helpful. Great Yosemite Guide for NewbiesBy Kathy G. HigginbothamJust what we first-timers to Yosemite were looking for. Great insider tips, lots of useful info. Can't wait to get to Yosemite

next month and see this amazing place.0 of 0 people found the following review helpful. Very helpful!By ValentineEasy to read. Helped me quite a lot on a last minute (awesome) trip to Yosemite.0 of 5 people found the following review helpful. Quick ReiewBy Charles H. StadeSo far I have only glanced at the book but I will be sure to give it close attention before my next annual trip to Yosemite. I purchased a second copy for a friend who also goes there every year. He was most appreciative.

Writer Susan Frank and cartoonist Phil Frank provide an insider's view of one of America's greatest natural treasures, Yosemite National Park. Ranger Dick a cartoon version of Dick Ewart, a veteran Yosemite ranger is the reader's own personal tour guide, offering guidance on every aspect of this popular national park, from the area's geological and cultural history to the best hiking trails and activities. To help plan the perfect trip, Susan and Phil have also included a telephone directory, a list of classes and educational programs, and a chart of average temperatures and precipitation. With Phil Frank's charming illustrations and up-to-date information on accommodations, camping, dining, flora and fauna, and recreational options, *The Ranger's Guide to the Yosemite* is the perfect companion for exploring this remarkable destination.

About the AuthorSusan and Phil started their life together on a houseboat in Sausalito, California. This led to their first book collaboration, a children's book about living on the water. Both avid history buffs, they moved from ship to shore about ten years ago. At present they maintain a 1914 Craftsman-style home in Sausalito, from which they venture into the national parks and other wilderness areas in search of inspiration for a new book. They have two grown children, two grandchildren, two Maltese-cross dogs, and two cats.
