Jim Korkis : The Revised Vault of Walt: Unofficial Disney Stories Never Told (The Vault of Walt) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Revised Vault of Walt: Unofficial Disney Stories Never Told (The Vault of Walt):

5 of 5 people found the following review helpful. Great book for those interested in Walt DisneyBy Heather

B.Excellent stories. I'm a big Disney fan and have read fairly extensively about Walt but these were all new to me, which was nice because much of the information out there about him is the same stuff over and over. I enjoyed the short story format that the book is laid out, which makes for nice easy "pick up and go" reading. Also, I liked the stories and quotes from folks who knew and worked with Walt and their more personal tone. Overall, I'm pleased with my purchase and would recommend the book to other interested in Walt Disney.2 of 2 people found the following review helpful. Enjoying reading it. If you want to learn more about Walt Disney, try the 3 volumes written by this author.By Auntie DonnaArrived quickly, well packaged. I am currently reading it. After reading the introduction, I look forward to each of the stories inside. I was so excited to learn of this author's book, I bought all 3 volumes and intend to read each before I go back to Disney World in the next couple of year. I hope to celebrate our 25th anniversary there and these stories will help understand more about the park and the originator, Walt Disney.2 of 2 people found the following review helpful. Interesting, but disjointedBy mconradI expected a more engaging narrative with a more intimate portrait of Disney. There were definitely interesting facts, but this was not enough for me to consider the next volumes in the series. Often there were repetitions of facts in subsequent chapters. I realize these were separate articles that were compiled for this book, but it wasn't as cohesive as I wanted it to be.
