KressThis book is currently being updated. I eagerly await the new editon. Topographic lines are on all maps. Section with township and range are very usefull and not on competitor altas maps. I have all but worn my copy out. Extremely usefull when dispatching a crew to a site. No other state road atlas series can compare!

Great book very good condition clean copy, show sign of shelf wear fast delivery with delivery confirmation with every order, guaranteed satisfaction or your money back.
