0 of 0 people found the following review helpful. Smithsonian excellence and valueBy BILLYBOBUKThe Smithsonian who have put this series together have done an excellent job. Excellent brief but informative on all areas and events this edition covers, gives good basic information for travelers. Excellent photos, usually all color, and great value-- recommend this whole series

Each volume in this series features up to date site information that includes location, visiting hours, phone numbers, and fee information, plus additional travel tips. Maps offers broader views of each area and help plan your own trips of discovery. '
