I found this Rough Guide map easy to use. The information was current and we had no trouble getting around NY using it! I highly recommend this product to any one visiting the city of New York

The essential companion to this vibrant metropolis. The Rough Guide Map pinpoints the best the city has to offer, from the bars and restaurants of SoHo to walking along Brooklyn Bridge. The best shopping streets, pedestrian zones and major buildings are all edged in different colours to make them easier to find. The useful "Time Map" charts the opening days and times of all the city's sights and the map's detailed transport information will help you make the most of the city's taxis, buses and subway routes. Find your way around this vibrant city with The Rough Guide Map New York City.
