Jason Clampet : The Rough Guide to Baja California (Rough Guide Travel Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Rough Guide to Baja California (Rough Guide Travel Guides):

The first edition of the Rough Guide to Baja California explores the peninsula in its entirety. From the frenetic border

town of Tijuana to the spectacular setting of Los Cabos, the 24-page full-colour section introduces all of the regions highlights. The guide includes detailed listings for all the top places to stay, eat and drink, whatever your budget, plus the brand-new "Author's Pick" feature to highlight the very best options. There is plenty of practical advice on a range of outdoor activities including: trekking, surfing, whale-watching and sport fishing. This edition includes two full-colour inserts: Baja's Food Drink and Water Activities and comes complete with maps and plans for the entire region.
