Rough Guides : The Rough Guide to New York City (Rough Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Rough Guide to New York City (Rough Guides):

0 of 0 people found the following review helpful. Four Stars By Joan Krause helpful in planning our trip to NYC 4 of 4 people found the following review helpful. comprehensive but lacking in suggested itineraries By mikemac9I had used the Rough Guide to Normandy/Brittany and found it helpful, so when I planned a trip to NYC I got this guide. The book covers the neighborhoods and attractions in detail, however in the end I do not recommend it. The book lacks

suggested timelines such as "if you have 3 days" type of thing. Nor within its coverage of an area such as the Lower East Side does it give suggested tours. So while the book may have all the information about the sights between its covers, you'll find yourself walking down the canyons of buildings that make up NYC with no real idea of a good route to maximize your time and paging back and forth to try to figure out what you are seeing and why it is important. Each tourist can spend hours and hours going back and forth with maps and this book, trying to put together a decent order to visit things. Or the author could have done it once for you, in a city he is familiar with. I chalk this up to a learning experience; I won't buy a guidebook that doesn't at least offer to help with the planning. The Rough Guide to Normandy/Brittany was helpful, I realize in retrospect, because there aren't that many places to visit within the small towns that predominate there so just listing them at all sufficed. Not so for a city like NYC. 0 of 1 people found the following review helpful. Five Stars By susana Good price, interesting and easy to understand information.

The Rough Guide to New York City is the ultimate travel guide to the city that never sleeps. With full color throughout and dozens of photos to illustrate New York City's great buildings, iconic landmarks, and distinctive neighborhoods, this updated guidebook will show you the best the city has to offer. The Rough Guide to New York City includes itineraries to help you explore all the must-see sights, discover great places to eat, and experience the city outside of the traditional tourist's path. You'll also find detailed information neighborhood-by-neighborhood, whether you want to visit the historic Financial District, Chelsea's High Line park, the churches of Harlem, Brooklyn's Coney Island, or even the farthest reaches of the Bronx. New York City has something for everyone art galleries and museums, festivals and nightlife and The Rough Guide to New York City uncovers it all, revealing hidden gems in some of the most popular areas and including all kinds of highlights in its "Top 5" lists. Detailed color maps for each neighborhood, plus a subway map and practical information on all the essentials, make getting around easy. Make the most of your time with The Rough Guide to New York City. Series Overview: For more than thirty years, adventurous travelers have turned to Rough Guides for up-to-date and intuitive information from expert authors.
